

Communication Equipment

Magalcom
Telrad Group

Magalcom is a leading system integrator. The added value the company offers its customers relies on multi-vendor integration and in-depth know-how of the company's expert networking engineers, enabling it to provide superior cost performance solutions that meet customer requirements.

Magalcom delivers field proven expertise in the installation and maintenance of switches, routers, IP telephony, wireless communication, firewalls and other networking equipment supplied by global leaders such as Cisco, Juniper, Avaya, HP, Enterasys, Checkpoint and others.

Magalcom's customers benefit from the company's multi-disciplinary integration skills. Magalcom is a dominant player in the delivery of state of the art solutions for data centers, communication infrastructures, IT infrastructures and homeland security solutions. This unique combination creates a full end-to-end integrated solution that is exclusively enjoyed by Magalcom's customers.

-
- Multi-vendor integration
 - Comprehensive end-to-end integrated solution
